

The School Bag Ghost

By Cory Chen 東湖國小四年級

Once upon the time, there was a kind of school bag ghost. It liked to kill people. One day, it started to kill ten people. After ninety-nine days, everyone was dead, except one person because he was very cool.

One day this man saw the ghost. So he ran after it and hit the ghost. The school bag ghost died. And all people from the sky fell down.
