

A Dumb Ghost!

By Jack Hsu 南湖國小四年級

A long time ago, there were some ghosts in the world. They ate people and killed people. So people were very scared.

A ghost caught the people, and the people ran below the log between the garbage cans. The ghost didn't run below it, so it crashed the log. The people laughed, so a man took some guns and gave them to shoot the ghost.

But they couldn't shoot the ghost, and Norton came. Everyone was happy because they could kill the ghost. So the ghost was afraid to kill people. Finally, ghost couldn't kill people anymore.
