

# The Ghost

By Jenny Lee南湖國小四年級

A long time ago, Taipei was a nice place. One night, CoCo was in her house and studied her homework. She was tired, so she slept on her table.

Suddenly, she heard someone called her name. Next day, she went to school and told her teacher and friends, but nobody wanted to listen to her.

Another day, she heard the voice again; this voice was different from the last time. She found the voice was from the bathroom, she saw her dead brother.
