

Piece-By-Piece

Once upon the time, there was a crazy ghost over Poughkeepsie way that got folks so plumb scared that nobody would stay more than one night in its house. A guy named John and didn't believe it. He went into the ghost house, and entered the front hallway. It was very dark and dirty inside. Just then, a glowing leg appeared out of nowhere and rolled down the steps, landing right next to John's feet. John gasped out loud and stood frozen to the spot. An arm appeared and rolled down to meet the leg. Next came to foot, then another arm, then a head. Glowing pieces of body kept popping into existence and plummeting down the steps towards John.

John shouted and ran out the house. He never went to the house again.
