By James Wang明湖國小五年級

Once upon the time, there was a man. His name was “Peep” . He was very poor. He had a lot of friends. His friends were poor, too. One day, they went to a market and bought some bananas. They didn’t have enough money, so they could only buy one banana. One night, they didn’t have light, and the moon didn’t appear. They were very afraid. Suddenly... ..Peep’s friend, Poop heard a sound

“I will first fart and eat your skin and eat your meat.” Poop was very very very afraid and he went to see the banana. He found the banana disappeared. And the moon came out he saw a “MONSTER” . The monster’s name was Poo Poo. He was a banana and Poop used the AK-47 to shoot and the monster died!!
