A long time ago, there were some teenagers. They wanted to go camping. They went to Yangming Mountain. First, they started to B.B.Q. They ate meat, bread, shrimp and vegetables. Mm~Yummy!

Next, they went for a hot spring. At the hot spring pool they found a water ghost, they screamed out, ah~~~~~. Then the water ghost said, “Hi! Can we be friends?”

Teenagers screamed louder, ah~~~~~!

“Hey , I don’t have any friends.” said the water ghost, “I just want a friend. Can you be my friend?” Then the teenagers ran away.
