

The Strange Thing In New York

By Melody Cheng南湖國小五年級

One day, Lita and John went to New York. When they went to sleep, Lita heard something from John's room, when Lita went out of the room, she saw a beautiful girl wearing a white dress standing in front of John's door. Lita asked "Who are you?" When the girl heard Lita's sound, she ran away and disappeared in the dark.

John heard the sound and asked "What's wrong, Lita?" Then Lita told John "I saw a ghost standing outside in front of your door."

The next day, they asked the landlord whether he knew the girl who wore a white dress. Then the landlord told them "The girls name was Si Sier, she was John's fans."

When they heard Si Sier was John's fans, they felt relieved. They took the airplane and went back to Japan.
