

## The Moaning Closet

By Gina Yang南湖國小六年級

On February 15, 2001, Jess was going to bed at 8:30 pm, because she had to wake up early. Jess was in bed, turned off the light, and began to fall asleep. When she looked at her closet and she saw a white figure standing, moaning in her closet.

It wasn't any of her clothes because none of her clothes were white in her closet. It was moaning and had no legs. Jess was freaked out and just got up and walked downstairs. The white figure also followed her, but Jess didn't know it.

When Jess went to sleep later, the white figure wasn't in the closet, it was in the closet to her bed and there were bloodstains everywhere. Then Jess heard "You're about to die." The sound disappeared and Jess died.
