Many years ago, a night on the Halloween, it was really really cold. There were two people called Joanne and Judy. They were staying at home and celebrating Halloween. When they were going out to get some candy, they heard someone was talking , “The night is coming, today I’m going to revenge. “They walked up stairs and didn’t see anything. Suddenly, they tripped and the girl came to them and ate their heads, lungs, legs, and hands. A moaning... .. “Oh! No!”
