

Field Trip

2013.07

Hollywood Candy Queen's Kingdom 糖果的異想世界

Place : Chiang Kai Shek Memorial Hall 中正紀念堂

Summer just got even better as CKids take the children to a field trip like no other. The children can behold up close what it is like to have structures made up of candies, cookies, and biscuits. They will be able to get a glimpse of the colorful and delicious kingdom of Hollywood's one and only Candy Queen, Ms. Jackie Sorkin, in Chiang Kai Shek Memorial Hall, where fairy tales come to life in the form of candies!

Ms. Jackie Sorkin uses a variety of candies and confectioneries to create artwork and to give people a "candy experience".

The children will be amazed to see...

- a giant made of countless mini candies
- a two-storey giant candy machine
- huge candy canes and lollipops placed in every corner

The kingdom also includes the Dutch masterpiece "Girl with a Pearl Earring" made with jelly beans and Nerds and a sphinx made of golden gummy bears.

在童話故事裡那個用糖果、餅乾堆砌蓋成的餅乾屋，現在你也看得到喔！今年暑假我們要帶著所有的小朋友一起到中正紀念堂見識來自美國好萊塢最炙手可熱的糖果藝術家--糖果天后 Jackie Sorkin--用糖果打造的驚奇空間，體驗前所未見的夢幻國度！

在這裡你可看到...

- ◆ 用無數迷你糖打造出的糖果巨人
- ◆ 有兩層樓高的巨無霸糖果機
- ◆ 到處林立的巨大拐杖糖、棒棒糖

還有用一顆顆小小的糖果所建成的「埃及人面獅身像」、美麗動人的名畫「戴珍珠耳環的少女」、更有會跳舞的馬戲團，肯定讓你嘆為觀止！！
